# Abstract

The abstract should summarise all of the take-home points of the entire thesis. To make sure you've done everything required in this section, fill in each of the boxes below as concisely as possible.

**What is the reason for writing the thesis?**

**What are the current approaches and gaps in the literature?**

**Which methodology have you used?**

**What are the main findings?**

**What are the main conclusions and implications?**
